

## STATE PLATFORMS OF THE TWO PARTIES CONTRASTED.

## DEMOCRATIC STATE PLATFORM

RESOLVED, That the Democracy of North Carolina reaffirm the platform and principles of the Democratic party, both state and national, and particularly favor the free coinage of silver and an increase of the currency, and the repeal of the internal revenue system. And we denounce the McKinley tariff bill as unjust to the consumers of the country, and a motive of the trusts, combines and monopolies which have oppressed the people; and especially do we denounce the unnecessary and burdensome tax on cotton ties, and on tin, so largely used by the poorer portion of the people.

We likewise denounce the iniquitous Lodge force bill, whose purpose is to establish a second period of reconstruction in the Southern States, to subvert the liberties of our people and inflame anew race antagonism and sectional animosities. And we denounce the tyrannical action of Speaker Reed and his abettors who have changed the Federal House of Representatives from a deliberative body into a machine to register the will of a few partisan leaders.

RESOLVED, That we demand financial reform, and the enactment of laws that remove the burdens of the people, relieve the existing agricultural depression and do full and ample justice to the farmers and laborers of our country.

RESOLVED, That the Democracy of North Carolina take a just pride in the able and patriotic course of their Senators and Representatives in Congress touching the great public questions, that have been before them for action, and especially do we appreciate the great ability and zeal of Senator Vance in the practical contest on the tariff question which reflect honor and credit alike on him and on the State of North Carolina and we cordially commend his re-election to the United States Senate by the next General Assembly of North Carolina, and we commend the wise and satisfactory administration of our State officers.

WHEREAS the education of the people is essential not only to individual happiness and prosperity but also to the maintenance of civil and religious liberty.

RESOLVED, That the next General Assembly of North Carolina is requested to increase the fund for the maintenance of Public Schools.

RESOLVED Further, that we favor the abolition of National banks, and the substitution of legal tender Treasury notes in lieu of National bank notes, issued in sufficient volume to do the business of the country on a cash system, regulating the amount needed on a per capita basis as the business interests of the country expands, and that all money issued by the government shall be legal tender in payment of all debts, both public and private.

That we favor that Congress shall pass such laws as shall effectually prevent the dealing in futures of all agricultural and mechanical productions, preserving a stringent system of procedure in trials shall secure the prompt conviction, and imposing such penalties as shall secure the most perfect compliance with the law.

That we favor the free and unlimited coinage of silver.

That we favor the passage of law prohibiting the alien ownership of land, and that Congress take early steps to devise some plan to obtain all lands now owned by alien and foreign syndicates, and that all lands now held by railroads and other corporations, in excess of such as is actually used and needed by them, be reclaimed by the government and held for actual settlers now.

Believing in the doctrine of "equal rights to all, and special privileges to none," we demand that taxation, National and State, shall not be used to build up one interest or class at the expense of another. We believe that the money of the country should be kept as much as possible in the hands of the people, and hence we demand that all revenue, National, State or county, shall be limited to the necessary expenses of the government economically and honestly administered.

That Congress issue a sufficient amount of fractional currency to facilitate exchange through the medium of the United States mail.

## REPUBLICAN STATE PLATFORM

The committee on resolutions reported the following platform which was adopted. WE, THE REPUBLICANS OF NORTH CAROLINA, IN CONVENTION ASSEMBLED, DO HEREBY RESOLVE:

1st. That we hereby renew our faith and allegiance to the Republican party, reaffirm the principles of the party as expressed in the platform of 1888, and specially endorse the administration of President Harrison as wise, just and patriotic.

2. We deplore the action of the Senate in failing to pass the Blair educational bill and earnestly urge upon our representatives in Congress to secure the passage of some such bill as will give the necessary aid to our public schools, and thereby enable the poor children of our State to become educated.

3. We denounce the Democratic party for the passage of the election law in the legislature of 1889, which was so formed and so intended as to enable corrupt politicians to defeat by fraud and trickery the honest will of the people and thereby nullifying that section of the State constitution which says: "All elections ought to be free."

5. We renew our demands for the repeal of the iniquitous "County Government System" and maintain that the same is in gross violation of Sec. 2, Art. 1 of the Constitution which declares that all political power is vested in and derived from the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.

6. That we sympathize with the farmers in their efforts to throw off the despotic yoke of bourbon tyranny which has so long kept them in political servitude as "chewers of wood and drawers of water" for the aristocratic and autocratic leaders of the Democratic party.

7. That we demand that our elections shall be free, that all citizens, eligible to vote under our National and State constitution shall have the right to vote as they see fit, their ballots counted as cast and a true return thereof made, and while we prefer that the election of all officers should be had under one and the same law and yet we recognize the fact that the Democratic party has instituted a system of fraud through the medium of their State laws, to defeat the voice of the people in the selection of their representatives in Congress, and therefore endorse such legislation as may be enacted by Congress as will secure a free vote, fair count and honest return, and thereby the prompt seating in Congress of the honestly elected member.

8. That we cordially approve of the policy of reciprocity inaugurated by Secretary Jas. G. Blaine as the best means of opening up the markets of the Central American States to the farmers, manufacturers and laborers of the United States.

The eyelet of a corset seems a trifle to make a business on; but what if one eyelet cuts the laces, while another eyelet don't?

And what if the eyelet that cuts is in universal use?

And what if the eyelet that cuts the laces also rusts the corset?

And what if the eyelet that cuts is not so neat and proper and womanlike as the other?

And what if it costs as little or less to put in and never comes out or wears out?

The new eyelet is made of loops of corset lace instead of metal.

The Ball and Kabo corsets have it; the Ball is the easy corset, the Kabo the one that does not yield a barleycorn.

You can wear them two or three weeks and return to where you got them, if you want to. The makers provide you that privilege.
